COMMITMENT BY THE PARTIES

By signing this document, the Participant, Hosting Institution and Intermediary Partner (UniAdrion) confirm that they will abide by the principles of the AI-NURECC PLUS Project.

Responsibilities for Intermediary Partner before and during the mobility:

- Provide help and assistance during the whole registration process.
- Solve any kind of doubts participants might find.
- Make sure that all accepted applications are eligible, complete, and accurate.
- Inform about the financial assistance (lump sum) and a comprehensive insurance.
- Supervise, add comments, and propose concrete actions with the aim of having a high-quality AI-NURECC PLUS Transnational Mobility Experience between all parties.

Responsibilities for the participant before and during the mobility:

- To carefully read the supporting documents facilitated by UniAdrion and comply with the project rules and procedures.
- To provide any additional information (documents/evidence) to UniAdrion when requested.
- To send to UniAdrion the “*Monthly Attendance Register*” filled in with the monthly hours worked, the summary of the activities carried out and photographic/promotional material.
- To inform UniAdrion about any change that may affect their participation in the Project.
- To perform the activities as described in the Mobility Training Project according to the tutor’s instructions.
- To not disclose to any third-party confidential data, knowledge and information on processes and products acquired during the mobility.
- To fill in the Mobility Evaluation Questionnaire provided by UniAdrion at the end of the mobility.

Responsibilities for the Hosting Institution before and during the mobility:

- To carefully read the supporting documents facilitated by the UniAdrion and comply with the project rules and procedures.
- To provide any additional information (documents/evidence) to UniAdrion when requested.
- To inform UniAdrion about any change that may affect their participation in the Project.
- To support participant by providing equipment, services and departments and by explaining technologies, organization and production processes.

- To not employ the participant for activities that are not consistent with the mobility goals described in the Mobility Training Project.
